PETITION

This is in response to the Decision mailed on October 22, 2007 in the above-identified application. The Decision indicates that the Petition to revive the application was denied because a proper payment of the basic national fee was not received by the USPTO. A copy of the original submitted PTO 2038 form is enclosed herewith.

Thus, Applicant submits that all requirements to revive the application were satisfied and respectfully requests that the Petition to Revive be granted.
